PETITION UNDER 37 CFR §1.47(a) REGARDING NON-SIGNING INVENTOR

BOX PETITIONS
Commissioner for Patents
Washington, D.C. 20231

RECEIVED
MAR 18 2002
OFFICE OF PETITIONS

Dear Sir:

In accordance with the provisions of 37 CFR §1.47(a), it is respectfully requested that the above-identified patent application be accepted as complete with a partially executed Combined Declaration and Power of Attorney, which has been signed by one of the two inventors, Katharina Koelle. The non-signing inventor, William P. Worzel, has refused to cooperate and sign a declaration or assignment regarding his inventorship of the above-identified patent application as required to do so under the terms of his previous employment with the assignee. William P. Worzel has stated that he would do nothing that required him to spend even a minute more of his time regarding this matter without recompense, which is contrary to the terms of his previous employment with the assignee.

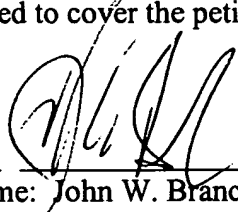

Filed with this petition is a Declaration under 37 CFR §1.47(a), which provides the pertinent facts regarding William P. Worzel's refusal to sign the Combined Declaration and Power of Attorney document. Also, we have enclosed a copy of a separately recorded Notice

Under 35 U.S.C. 261 regarding assignment of the invention that was filed on February 21, 2002, for recordation in the U.S. Patent and Trademark Office. Additionally, we have enclosed a copy of the partially executed Combined Declaration and Power of Attorney document which was previously filed on December 14, 2001.

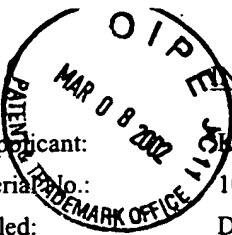

William P. Worzel's last known address is 214 W. Main St., Milan, Michigan 48160.

A check in the amount of \$130.00 is enclosed to cover the petition fee as required by 37 CFR §1.17(h).

Bill:

I was wondering if you had any questions about either the patent application or the formal papers for the above matter that were mailed to you by certified mail? If you have any questions, please do not hesitate to email me at the email address below. However, if you do not have any questions, would you please sign the formal documents as the instructions indicated, and mail them to me? If you have already mailed the signed documents, please email me a quick note, to let me know. Thank you.

Re: 50040.1USU1 - Status of Signed Formal Documents from Inventor & Updated Formal Documents

Bill:

Please discard the prior electronic copies of the formal documents and use the updated copies attached in this email. The earlier documents were intended to be filed concurrent with the filing of the application. The attached copies should now be used, as they reflect the filing date and serial number of the application filed 12/14/2001, and are to be used after an application has been filed.

As stated in the ealier email, we have not received from you the formal documents that we asked you to sign for the above-identified matter. We understand that these documents were received by you through certified mail on December 22, 2001.

Recently, our office received a Notice to File Missing Parts from the U.S. Patent and Trademark Office (USPTO), which included a request for the signed formal document, from you.

At this time, are you willing to sign the formal documents and return them to us? Kindly advise us of your intentions.

If you will sign the revised formal documents, please return the signed updated documents to me, no later than February 5, 2002.

I have attached a set of electronic copies of the updated formal documents for your signatures.
